Additional Information

On 6/18/22, at approximately 0122 hours, I performed traffic stop on the listed vehicle due to the registered owner having an active warrant.

Upon making contact with the driver, I confirmed he was the individual matching the warrant.

ID/Records P. Browne #76472 verified the warrant was active.

*****BELOW IS THE ACTIVE WARRANT NARRATIVE WRITTEN BY AN SAO INVESTIGATOR*****

Your Affiant is an Investigator with the State Attorney's Office, Fourth Judicial Circuit, and has thirty-five (35) years of law enforcement experience.

In the late summer of 2021, Your Affiant was contacted by Ms. Arzada Haynes, Director of Voter Registration Administration for the Duval County Supervisor of Elections Office (hereinafter SOE). Ms. Haynes advised her office had received a large volume of completed Constitutional Amendment Initiative Petition Forms that appeared to be fraudulent. These petitions contain a voter's name, address, date of birth and signature. For many of the petitions, the SOE was unable to verify the signature on the petition form with the voter's signature on file. There were several potential suspects identified.

During the investigation, Your Affiant identified Jordan Daniels as a suspect. This Suspect had turned in over fifty (50) petitions which had been rejected by the SOE for voter's signature verification issues. Investigative efforts revealed the suspect was registered with the State of Florida as a Petition Circulator and was assigned Circulator Registration Number 23618.

During the investigation, Your Affiant examined ten (10) or more of the rejected petitions turned into the SOE office by the Suspect, although they all mostly appeared to have questionable signatures. Your Affiant was able to locate ten (10) of the registered voters. All of the voters advised they had never seen the petition nor did they recognize their signature on the petition and they had not given authorization to use their personal identification information.

It should be noted that Your Affiant previously arrested the Suspect on a similar scheme where the Suspect used the personal identification information of persons to submit false voter applications/registrations. In that investigation over thirty (30) individuals confirmed that their information had been fraudulently used. Those charges are still pending.

*****END OF NARRATIVE*****

I read the suspect his Miranda Rights, via card. Post Miranda, the suspect advised he did not know anything about the incident, and needs more information from his lawyer.
